

**Calling all early childhood educators to attend a FREE  
informative day with newly released curriculum to be  
used in your classroom !**

**Friday, December 8**

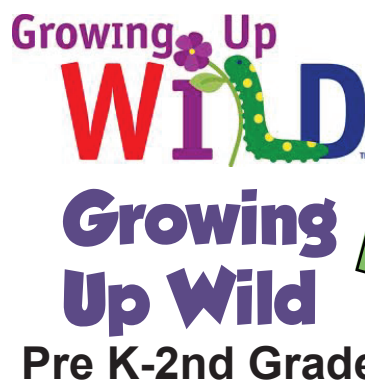

**8:30 am - 3:30 pm**

**Tech<sub>2</sub>O Center, 10751 Montana Ave.**

**Getting Little  
Feet Wet  
Pre K-2nd Grade**

Newest addition to the award winning Project WET family of educational guides. It features interactive, hands-on activities for young learners to explore different aspects of water.

**Pre K-2nd Grade**

This program builds on a child's sense of wonder about nature and invites them to explore wildlife and the world around them.

**All participants will receive the following guides FREE:**

- NEW! Getting Little Feet Wet, Project WET's Early Childhood Education Guide
- Project WILD's Growing Up Wild Early Childhood Education Guide

**Deadline for registration is Friday, December 1.**

**RSVP required.**

**To register contact April at  
915.621.2005 or athoreson@epwu.org**
