

## **Music Labs**

**Every Thursday at 10:15 a.m. and every Saturday at 1:00 p.m. at Apple - Cielo Vista Mall**

Explore how to develop your sound inspired by rapper, record producer, and Wu-Tang Clan frontman RZA. We'll share how RZA developed his trademark beats that revolutionized hip-hop in the 1990s. You'll brainstorm and sketch out ideas to create your music story and sound profile. Then you'll get hands on with ROLI Blocks, GarageBand on iPad Pro, and more to find your unique sound.
